CDXZipStream Data Feeds and Definitions

Please select a data feed below for a list of included data fields and their definitions

CDXZipCode (Basic)   ZIP Code Basic data

CDXZipCode (Premium)   ZIP Code premium demographics and other data

CDXAreaCode   Area code demographics and other data

CDXState   State demographics and other data

CDXCounty   County demographics and other data

CDXCity   City demographics and other data

CDXCBSA   CBSA (Core Based Statistical Area) demographics and other data

CDXCensus2010   ZIP Code (ZIP Code Tabulation Area) demographics from the 2010 Census

CDXCensus2020   ZIP Code (ZIP Code Tabulation Area) demographics from the 2020 Census

CDXCensus   ZIP Code (ZIP Code Tabulation Area) demographics from the 2000 Census

CDXCensus2   ZIP Code (ZIP Code Tabulation Area) occupational data from the 2000 Census

CDXACSCBSA   CBSA (Core Based Statistical Area) demographics from the 2023 5-year aggregated American Community Survey (ACS)

CDXACSCounty`   County demographics from the 2023 5-year aggregated American Community Survey

CDXACSPlace   Place (city, town, borough, village, municipality) demographics from the 2023 5-year aggregated American Community Survey Covers places with populations of 20,000 and higher

CDXACSState   State demographics from the 2023 5-year American Community Survey

CDXTract   Census tract demographics from the 2023 5-year aggregated American Community Survey

CDXACSZCTA   ZCTA (Zip Code Tabulation Area) demographics from the 2023 5-year aggregated American Community Survey

CDXZipCode (Basic) Data Feed

ZIP Code basic data

Field Name	Description
City	City name designated by the United States Postal Service
CityAliasName	The alias name(s). This may be a city name, postal entity, community or a municipality name.
CountyName	Applicable county or parish
Latitude	The geographic coordinate measured in degrees north or south of the equator
Longitude	The geographic coordinate measured in degrees east or west of the Greenwich (prime) meridian
Region	A geographic area consisting of several states defined by the U.S. Department of Commerce. The states are grouped into four regions.
State	2 character state or territory designation
StateFullName	The full U.S. state or territory name
ZipCode	5 digit ZIP Code designated by the United States Postal Service. U.S. Territories are also included.

CDXZipCode (Premium) Data Feed

ZIP Code premium demographics and other data

Field Name	Description
AliasIntroDate	The date the city alias was introduced for this ZIP Code
AreaCode	The telephone area code(s)
AsianPopulation	The Asian population from the 2020 Census
AverageHouseValue	The average house value from the latest 5-year aggregated American Community Survey
BlackPopulation	The black or African American population from the 2020 Census
BoxCount	The total count of PO box deliveries
BusinessAnnualPayroll	The total annual payroll from the most recent Statistics of U.S. Businesses
BusinessEmploymentFlag	Some areas do not have actual figures for employment information. Employment data are replaced as follows

CODE	EMPLOYMENT SIZE
A	0-19
B	20-99
C	100-249
E	250-499
F	500-999
G	1,000-2,499
H	2,500-4,999
I	5,000-9,999
J	10,000-24,999
K	25,000-49,999
L	50,000-99,999
M	100,000 or more

Field Name	Description
BusinessFirstQuarterPayroll	The first quarter payroll from the most recent Statistics of U.S. Businesses
CarrierRouteRateSortation	Identifies where automation Carrier Route rates are available
CBSA	Core Based Statistical Area (replaces MSA's)
CBSA_DIV	Core Based Statistical Area Division number
CBSA_Div_Name	Core Based Statistical Area Division name
CBSA_Name	The name of the Core Based Statistical Area
CBSA_Type	Indicates whether a CBSA is a Metropolitan (> 50,000 population) or Micropolitan (10,000 to 50,000 population) Statistical Area
CBSADivPopulation	The estimated population for the selected CBSA Division from the 2020 Census
CBSAPopulation	The estimated population for the selected CBSA from the 2020 Census
City	City name designated by the United States Postal Service
CityAliasAbbreviation	Abbreviation of city alias where applicable
CityAliasCode	Code indication the type of the city alias name for this record. Can be abbreviations, universities, government, and more.

CODE	DESCRIPTION
Blank	Any record that does not have any of the above codes in them is a regular non military, non business, non government, non university ZIP Code
A	Abbreviation USPS designated abbreviation of a City Alias Name (ex. " Yorktown Heights"= Yorktown HGTS or "Yrktwn HTS", etc.)

CDXZipCode (Premium) Data Feed cont'd
ZIP Code premium demographics and other data

CODE	DESCRIPTION
B	Business A specific business uses this ZIP Code. This may be either exclusively or shared with a city. To determine if it is exclusive, look to the "Classification Code" column and if it has a "U" for Unique, it is exclusive to the particular business name in the "CityAliasName" field.
M1	Military Base-Actual U.S. military base non primary name as designated by the USPS
M1P	Miltary Base Primary-Primary name of U.S. military base as designated by the USPS
M2	Non Specific Military/Consulate-Military or Consulate ZIP Code which is not specifically identified to any particular military base or consulate. These are used primarily for foreign military/consulate mail.
M2P	Non Specific Military/Consulate Primary-USPS designated primary ZIP Code for foreign/consulate mail
G	Government-A specific government entity uses this ZIP Code. This may be either exclusively or shared with a city. To determine if the ZIP is exclusive, look to the "Classification Code" column and if it has a "U" for Unique, it is exclusive to the particular government entity name in the "CityAliasName" field.
U	University USPS designated as a U.S. university. Not the primary record for this university.
UP	University Primary Primary record for this U.S. university as designated by the USPS

Field	Description
CityAliasMixedCase	The city alias name in proper case. The USPS designates cities in all uppercase (i.e. NEW YORK). The mixed case field turns this into proper upper and lower case letters (i.e. New York).
CityAliasName	The alias name. This may be a city name, postal entity, community or a municipality name.
CityDeliveryIndicator	Specifies whether a post office has city delivery carrier routes
CityMixedCase	The city name in proper case. The USPS designates cities in all uppercase (i.e. NEW YORK). The mixed case field turns this into proper upper and lower case letters (i.e. New York).
CityStateKey	A value that uniquely identifies a city state name
CityType	Describes the type of postal station in the "City Alias" field

ClassificationCode   The classification type of this ZIP Code

CODE	DESCRIPTION
Blank	Non-Unique ZIP
M	APO/FPO Military ZIP
P	PO Box
U	Unique ZIP Code (includes businesses and government buildings that have their own unique ZIP Code)

CongressionalDistrict   The applicable congressional 118th district

CDXZipCode (Premium) Data Feed cont'd
ZIP Code premium demographics and other data

CongressionalLandArea	The approximate land area covered by the applicable congressional district
CountyANSI	The ANSI code for the county this ZIP Code resides in. The ANSI system will be replacing the FIPS system.
CountyFIPS	Federal Information Processing Standards code for the applicable county
CountyMixedCase	The primary county name in mixed case (i.e. Not in all uppercase letters)
CountyName	Applicable county or parish
CSA	Core Statistical Area. Group of MSA's combined into a population core area
CSAName	The name of the Core Based Statistical Area
DayLightSaving	Indicates whether daylight savings applies
DeliveryBusiness	The number of active business delivery mailboxes and centralized units. This excludes PO boxes and all other contract box types.
DeliveryResidential	The number of active residential delivery mailboxes and centralized units. This excludes PO boxes and all other contract box types.
DeliveryTotal	The total number of delivery receptacles. This includes curb side mailboxes, centralized units, PO Boxes, NDCBU, and contract boxes. This count is for residential and business combined.
Division	A geographic area consisting of several states defined by the U.S. Department of Commerce. The states are grouped into 9 divisions.
Elevation	The applicable county's average elevation
Facillity Code	The type of locale identified in the city/state name
FemalePopulation	The female population from the 2020 Census
FinanceNumber	A code assigned to Postal Service facilities
GrowingCountiesA	The estimated number of housing units in the applicable county as of July 1, 2010 according to the US Census 45
GrowingCountiesB.	The estimated number of housing units in the applicable county as of July 1, 2011, according to the US Census 46
GrowthIncreaseNumber	The change in housing units from 2010 to 2011, expressed as a number according to the US Census.
GrowthIncreasePercentage	The change in housing units from 2010 to 2011, expressed as a percentage according to the US Census
GrowthRank	The growth rank for the applicable county according to the US Census
HawaiianPopulation	The Hawaiian population from the 2020 Census
HispanicPopulation	The Hispanic population from the 2020 Census
HouseholdsPerZipcode	The number of households from the 2020 Census
IncomePerHousehold	The income per household from the latest 5-year aggregated American Community Survey
IndianPopulation	The American Indian and Alaska Native population from the 2020 Census
LandArea	The approximate amount of land area covered in square miles
Latitude	The geographic coordinate measured in degrees north or south of the equator
Longitude	The geographic coordinate measured in degrees east or west of the Greenwich (prime) meridian
MailingName	Yes or No (Y/N) flag indicating if the USPS accepts this City Alias Name for mailing purposes
MalePopulation	The male population from the 2020 Census
Map Google	Link to a map provided by Google Maps
Map MapQuest	Link to a map provided by Mapquest
MarketRatingAreaID	The ID of the Insurance Market Rating Area as set by the Centers for Medicare & Medicaid Services.

CDXZipCode (Premium) Data Feed cont'd
ZIP Code premium demographics and other data

MedianAge	The median age from the 2020 Census
MedianAgeFemale	The female median age from the 2020 Census
MedianAgeMale	The male median age the 2020 Census
MedicareCBSACode	The CBSA Code for this ZIP Code as set by the Centers for Medicare and Medicaid Services.
MedicareCBSAName	The CBSA Name for this ZIP Code as set by the Centers for Medicare and Medicaid Services.
MedicareCBSAType	The CBSA type for this ZIP Code as set by the Centers for Medicare and Medicaid Services. Metro or Micro.
MFDU	Total count of multifamily deliveries; generally analogous to apartments
MSA	Metropolitan Statistical Area (obsolete)
MSA_Name	Metropolitan Statistical Area Description Name
MultiCounty	Flag indicating whether county lines are crossed
NumberOfBusinesses	The total number of business establishments from the most recent Statistics of U.S. Businesses
NumberOfEmployees	The total number of employees from the most recent Statistics of U.S. Businesses
OtherPopulation	The non-classified population from the 2020 Census
PersonsPerHousehold	The persons per household from the 2020 Census
PMSA	Primary Metropolitan Statistical Area
PMSA_Name	Primary Metropolitan Statistical Area Description Name
Population	The population from the 2020 Census
PopulationEstimate	Estimated household population for the last month. The estimate is derived from known delivery information, household occupancy rates, household size, and more to come up with an accurate estimation for the current population. This data does not include population counts for persons in nursing homes, correctional facilities, or other institutions.
PreferredLastLineKey	Links this record with other data feeds
Region	A geographic area consisting of several states defined by the U.S. Department of Commerce. The states are grouped into 4 regions.
SFDU	Total count of single family deliveries; generally analogous to homes
SSAStateCountyCode	The State County Code as set by the Social Security Administration for Medicare and Medicaid. Based on 1/2018 CMS data
State	2 character state or territory designation
StateANSI	The ANSI code for the state this ZIP Code resides in. The ANSI system will be replacing the FIPS system.
StateFIPS	Federal Information Processing Standards code given to each state or territory
StateFullName	The full U.S. state or territory name
TimeZone	Federal Information Processing Standards code given to each state or territory
UniqueZIPName	Field that specifies whether a City State Record contains the organization name for a unique ZIP Code
WaterArea	The approximate amount of water area covered in square miles
WhitePopulation	The white population from the 2020 Census
ZipCode	5 digit ZIP Code designated by the United States Postal Service; includes U.S. Territories
ZipIntroDate	The date this ZP Code was introduced

CDXAreaCode Data Feed
Area code demographics and other data

Field Name	Description
AreaCode	The three digit code assigned to geographical areas for telecommunications purposes
AsianPopulation	The Asian population from the 2000 Census
AvgHouseValue	The average house value from the 2000 Census
AvgHouseholdIncome	The income per household from the 2000 Census
AvgPersonsPerHousehold	The persons per household from the 2000 Census
BlackPopulation	The black or African American population from the 2000 Census
FemalePopulation	The female population from the 2000 Census
HawaiianPopulation	The Hawaiian population from the 2000 Census
HispanicPopulation	The Hispanic population from the 2000 Census
IndianPopulation	The American Indian and Alaskan Native population from the 2000 Census
MalePopulation	The male population from the 2000 Census
MedianAge	The median age from the 2000 Census
MedianAgeFemale	The female median age from the 2000 Census
MedianAgeMale	The male median age from the 2000 Census
OtherPopulation	The non-classified population from the 2000 Census
Population	The population from the 2000 Census
SumBusinesses	The total number of Business Establishments Data taken from 2006 Statistics of US Businesses
SumEmployment	The total number of employees Data taken from 2006 Statistics of US Businesses
SumPayrollAnnual	The total annual payroll from the 2006 Statistics of US Businesses
SumPayrollQ1	The first quarter payroll from the 2006 Statistics of US Businesses
TotalCounties	The total number of counties
TotalZipCodes	The total number of zip codes
WhitePopulation	The white population from the 2000 Census

CDXState Data Feed
State demographics and other data

Field Name	Description
State	2 character state or territory designation
Age Median	The median age from the 2020 Decennial US Census
Age Median Female	The female median age from the 2020 Decennial US Census
Age Median Male	The male median age from the 2020 Decennial US Census
Business Annual Payroll $1000	The most recent available business annual payroll (in thousands of dollars), from the Statistics of U.S. Businesses
Business Employment	The most recent available business employment, from the Statistics of U.S. Businesses
Business Establishments	The most recent available number of business establishments, from the Statistics of U.S. Businesses
Business Firms	The most recent available number of business firms from the Statistics of U.S. Businesses
Household Income Median	The median household income from the 2021 1-year ACS
Household Size Average	The average household size from the 2020 Decennial US Census
Housing Occupied	The number of homes occupied from the 2020 Decennial US Census
Housing Vacant	The number of homes vacant from the 2020 Decennial US Census
Housing Total	The number of homes total from the 2020 Decennial US Census
Housing Value Median	The median housing value from the 2021 1-year ACS
Household Population	The population in households from the 2020 Decennial US Census
Population	The population from the 2020 Decennial US Census
PopulationACS	The population from the 2021 1-year ACS
Population Estimate YYYY	The estimated population from the year indicated, from the US Census Population Estimates Program
Population Female	The female population from the 2020 Decennial US Census
Population Hispanic	The Hispanic population from the 2020 Decennial US Census
Population Male	The male population from the 2020 Decennial US Census
Population Non-Hispanic	The non-Hispanic population from the 2020 Decennial US Census
Race Asian	The Asian population from the 2020 Decennial US Census
Race Black	The black population from the 2020 Decennial US Census
Race Hawaiian	The Native Hawaiian and Other Pacific Islander population from the 2020 Decennial US Census
Race Indian	The American Indian or Alaskan native population from the 2020 Decennial US Census
Race Other	Population from some other race from the 2020 Decennial US Census
Race Two or More	Population from two or more races from the 2020 Decennial US Census
Race White	The white population from the 2020 Decennial US Census
Unemployment YYYY Average	Unemployment statistics (not seasonally-adjusted) from the Bureau of Labor Statistics, averaged for the year indicated

CDXCounty Data Feed

County demographics and other data

Field Name	Description
CountyID	County Name|State identification. Example: Orange|CA
County	County name
State	2 character state or territory designation
Census ID	Census ID number of the county
Age Median	The median age from the 2020 Decennial US Census
Age Median Female	The female median age from the 2020 Decennial US Census
Age Median Male	The male median age from the 2020 Decennial US Census
Business Annual Payroll $1000	The most recent available business annual payroll (in thousands of dollars), from the Statistics of U.S. Businesses
Business Employment	The most recent available business employment, from the Statistics of U.S. Businesses
Business Establishments	The most recent available number of business establishments, from the Statistics of U.S. Businesses
Business Firms	The most recent available number of business firms from the Statistics of U.S. Businesses
Household Income Median	The median household income from the 2021 5-year ACS
Household Size Average	The average household size from the 2020 Decennial US Census
Housing Occupied	The number of homes occupied from the 2020 Decennial US Census
Housing Vacant	The number of homes vacant from the 2020 Decennial US Census
Housing Total	The number of homes total from the 2020 Decennial US Census
Housing Value Median	The median housing value from the 2021 5-year ACS
Household Population	The population in households from the 2020 Decennial US Census
Population	The population from the 2020 Decennial US Census
PopulationACS	The population from the 2021 5-year ACS
Population Estimate YYYY	The estimated population from the year indicated, from the US Census Population Estimates Program
Population Female	The female population from the 2020 Decennial US Census
Population Hispanic	The Hispanic population from the 2020 Decennial US Census
Population Male	The male population from the 2020 Decennial US Census
Population Non-Hispanic	The non-Hispanic population from the 2020 Decennial US Census
Race Asian	The Asian population from the 2020 Decennial US Census

CDXACSCBSA Data Feed (2023 5 Year American Community Survey Data)
CBSA (Core Based Statistical Area) demographics and other data

Field Name	Description
ID	Census ID number. Example: 10420
Name	CBSA name. Example: Akron, OH
Type	Indicates whether a CBSA is a Metropolitan (> 50,000 population) or Micropolitan (10,000 to 50,000 population) Statistical Area.
Age Median	Median age for the population
Age 0 - 4	Population under 5 years
Age 5 - 9	Population between the ages 5 and 9
Age 10 - 14	Population between the ages 10 and 14
Age 15 - 17	Population between the ages 15 and 17
Age 18 - 20	Population between the ages 18 and 20
Age 21 - 24	Population between the ages 21 and 24
Age 25 - 34	Population between the ages 25 and 34
Age 35 - 44	Population between the ages 35 and 44
Age 45 - 54	Population between the ages 45 and 54
Age 55 - 61	Population between the ages 55 and 61
Age 62 - 64	Population between the ages 62 and 64
Age 65 - 74	Population between the ages 65 and 74
Age 75 - 84	Population between the ages 75 and 84
Age 85+	Population age 85 and over
Age Median Female	Median age for the female population
Age Female 0 - 4	Female population under 5 years
Age Female 5 - 9	Female population between the ages 5 and 9
Age Female 10 - 14	Female population between the ages 10 and 14
Age Female 15 - 17	Female population between the ages 15 and 17
Age Female 18 - 20	Female population between the ages 18 and 20
Age Female 21 - 24	Female population between the ages 21 and 24
Age Female 25 - 34	Female population between the ages 25 and 34
Age Female 35 - 44	Female population between the ages 35 and 44
Age Female 45 - 54	Female population between the ages 45 and 54

Household Income Median 45-64 years	Median household income where the householder is between 45 and 64 years
Household Income Median 65 years and over	Median household income where the householder is 65 years and over
Households Owner-Occuppied	Total number of owner-occupied housing units
Household Size Owner Occupied 1-Person	For owner-occupied housing units, those with a 1-person household
Household Size Owner Occupied 2-Person	For owner-occupied housing units, those with a 2-person household
Household Size Owner Occupied 3-Person	For owner-occupied housing units, those with a 3-person household
Household Size Owner Occupied 4-Person	For owner-occupied housing units, those with a 4-person household
Household Size Owner Occupied 5-Person	For owner-occupied housing units, those with a 5-person household
Household Size Owner Occupied 6-Person	For owner-occupied housing units, those with a 6-person household
Household Size Owner Occupied 7+ Person	For owner-occupied housing units, those with a 7 and over - person household
Households Renter-Occupied	Total number of renter-occupied housing units
Household Size Renter Occupied 1-Person	For renter-occupied housing units, those with a 1-person household
Household Size Renter Occupied 2-Person	For renter-occupied housing units, those with a 2-person household

CDXACSCBSA Data Feed (cont'd)
CBSA (Core Based Statistical Area) demographics and other data

Household Size Renter Occupied 3-Person	For renter-occupied housing units, those with a 3-person household
Household Size Renter Occupied 4-Person	For renter-occupied housing units, those with a 4-person household
Household Size Renter Occupied 5-Person	For renter-occupied housing units, those with a 5-person household
Household Size Renter Occupied 6-Person	For renter-occupied housing units, those with a 6-person household
Household Size Renter Occupied 7+ Person	For renter-occupied housing units, those with a 7 and over - person household
Household Size Average	Average number of people per housing unit
Household Size Average Owner-Occupied	Average number of people in an owner-occupied housing unit
Household Size Average Renter-Occupied	Average number of people in an renter-occupied housing unit
Housing Units with Mortgage	Owner-occupied housing units with a mortgage
Housing Units without Mortgage	Owner-occupied housing units without a mortgage
Housing Value Median	Median value of owner-occupied housing units
Housing Value Less than 50K	Owner-occupied housing units with a value of less than $50,000
Housing Value 50-99K	Owner-occupied housing units with a value between $50,000 and $99,999
Housing Value 100-149K	Owner-occupied housing units with a value between $100,000 and $149,999
Housing Value 150-199K	Owner-occupied housing units with a value between $150,000 and $199,999
Housing Value 200-299K	Owner-occupied housing units with a value between $200,000 and $299,999
Housing Value 300-399K	Owner-occupied housing units with a value between $300,000 and $399,999
Housing Value 400-499K	Owner-occupied housing units with a value between $400,000 and $499,999
Housing Value 500-749K	Owner-occupied housing units with a value between $500,000 and $749,999
Housing Value 750-999K	Owner-occupied housing units with a value between $750,000 and $999,999
Housing Value 1 MM+	Owner-occupied housing units with a value of $1,000,000 and over
Marital Status Population 15+ Years	Total population 15 years and over
Marital Status Never Married	Total who never married, for the population 15 years and over
Marital Status Married/Spouse Present	Total who are married with spouse present, for the population 15 years and over
Marital Status Married/Spouse Absent	Total who are married with spouse absent, for the population 15 years and over

CDXACSCounty Data Feed (2023 5 Year American Community Survey Data)
County demographics and other data

Field Name	Description
ID	County Name|State identification. Example: Orange|CA
County	County name
State	2 character state or territory designation
Census ID	Census ID number of the county
Age Median	Median age for the population
Age 0 - 4	Population under 5 years
Age 5 - 9	Population between the ages 5 and 9
Age 10 - 14	Population between the ages 10 and 14
Age 15 - 17	Population between the ages 15 and 17
Age 18 - 20	Population between the ages 18 and 20
Age 21 - 24	Population between the ages 21 and 24
Age 25 - 34	Population between the ages 25 and 34
Age 35 - 44	Population between the ages 35 and 44
Age 45 - 54	Population between the ages 45 and 54
Age 55 - 61	Population between the ages 55 and 61
Age 62 - 64	Population between the ages 62 and 64
Age 65 - 74	Population between the ages 65 and 74
Age 75 - 84	Population between the ages 75 and 84
Age 85+	Population age 85 and over
Age Median Female	Median age for the female population
Age Female 0 - 4	Female population under 5 years
Age Female 5 - 9	Female population between the ages 5 and 9
Age Female 10 - 14	Female population between the ages 10 and 14
Age Female 15 - 17	Female population between the ages 15 and 17
Age Female 18 - 20	Female population between the ages 18 and 20
Age Female 21 - 24	Female population between the ages 21 and 24
Age Female 25 - 34	Female population between the ages 25 and 34
Age Female 35 - 44	Female population between the ages 35 and 44
Age Female 45 - 54	Female population between the ages 45 and 54
Age Female 55 - 61	Female population between the ages 55 and 61
Age Female 62 - 64	Female population between the ages 62 and 64
Age Female 65 - 74	Female population between the ages 65 and 74
Age Female 75 - 84	Female population between the ages 75 and 84
Age Female 85+	Female population age 85 and over
Age Median Male	Median age for the Male population
Age Male 0 - 4	Male population under 5 years
Age Male 5 - 9	Male population between the ages 5 and 9
Age Male 10 - 14	Male population between the ages 10 and 14

School Enroll Male Grades 5-8 — Males enrolled in grades 5 through 8 (public and private), for the population 3 years and over

School Enroll Male Grades 9-12 — Males enrolled in grades 9 through 12 (public and private), for the population 3 years and over

School Enroll Male College — Males enrolled in college (public and private), for the population 3 years and over

School Enroll Male Grad School — Males enrolled in graduate school (public and private), for the population 3 years and over

School Enroll Male Not Enrolled — Males not enrolled in school (public and private), for the population 3 years and over

CDXACSPlace Data Feed (2023 5 Year American Community Survey Data)
Place demographics and other data

Field Name	Description
ID	Place Name|State identification. Example: New York|NY
Name	Place name
Type	Type of place, such as city, town, village, borough, municipality, or CDP (Census Designated Place)
State	2 character state or territory designation
Census ID	Census ID number of the county
Age Median	Median age for the population
Age 0 - 4	Population under 5 years
Age 5 - 9	Population between the ages 5 and 9
Age 10 - 14	Population between the ages 10 and 14
Age 15 - 17	Population between the ages 15 and 17
Age 18 - 20	Population between the ages 18 and 20
Age 21 - 24	Population between the ages 21 and 24
Age 25 - 34	Population between the ages 25 and 34
Age 35 - 44	Population between the ages 35 and 44
Age 45 - 54	Population between the ages 45 and 54
Age 55 - 61	Population between the ages 55 and 61
Age 62 - 64	Population between the ages 62 and 64
Age 65 - 74	Population between the ages 65 and 74
Age 75 - 84	Population between the ages 75 and 84
Age 85+	Population age 85 and over
Age Median Female	Median age for the female population
Age Female 0 - 4	Female population under 5 years
Age Female 5 - 9	Female population between the ages 5 and 9
Age Female 10 - 14	Female population between the ages 10 and 14
Age Female 15 - 17	Female population between the ages 15 and 17
Age Female 18 - 20	Female population between the ages 18 and 20
Age Female 21 - 24	Female population between the ages 21 and 24
Age Female 25 - 34	Female population between the ages 25 and 34
Age Female 35 - 44	Female population between the ages 35 and 44
Age Female 45 - 54	Female population between the ages 45 and 54
Age Female 55 - 61	Female population between the ages 55 and 61
Age Female 62 - 64	Female population between the ages 62 and 64
Age Female 65 - 74	Female population between the ages 65 and 74
Age Female 75 - 84	Female population between the ages 75 and 84
Age Female 85+	Female population age 85 and over
Age Median Male	Median age for the Male population
Age Male 0 - 4	Male population under 5 years
Age Male 5 - 9	Male population between the ages 5 and 9

Education Attain Female Associate Degree	Females whose highest educational attainment was an associate degree for the population 25 years and over
Education Attain Female Bachelors Degree	Females whose highest educational attainment was a bachelors degree for the population 25 years and over
Education Attain Female Advanced Degree	Females whose highest educational attainment was an advanced degree for the population 25 years and over
Education Attain Population Male 25+ Years	Male Population 25 years and over
Education Attain Male No Schooling	Males who completed no schooling for the population 25 years and over
Education Attain Male Nursery to Grade 8	Males whose highest educational attainment was nursery to grade 8 for the population 25 years and over
Education Attain Male Some High School	Males whose highest educational attainment was some high school for the population 25 years and over
Education Attain Male High School Grad	Males whose highest educational attainment was graduation from high school or equivalency for the population 25 years and over
Education Attain Male Some College	Males whose highest educational attainment was some college for the population 25 years and over
Education Attain Male Associate Degree	Males whose highest educational attainment was an associate degree for the population 25 years and over
Education Attain Male Bachelors Degree	Males whose highest educational attainment was a bachelors degree for the population 25 years and over
Education Attain Male Advanced Degree	Males whose highest educational attainment was an advanced degree for the population 25 years and over
Households Total	Total number of households

CDXACSState Data Feed (cont'd)
State demographics and other data

Household Income 0-24K	Number of households with total income of less than $24,999
Household Income 25-49K	Number of households with total income between $25,000 and $49,999
Household Income 50-74K	Number of households with total income between $50,000 and $74,999
Household Income 75-99K	Number of households with total income between $75,000 and $99,999
Household Income 100-149K	Number of households with total income between $100,000 and $149,999
Household Income 150-199K	Number of households with total income between $150,000 and $199,999
Household Income 200K+	Number of households with total income of $200,000 and over
Household Income Median	Median income of all households
Household Income Median under 25 years	Median household income where the householder is under 25 years
Household Income Median 25-44 years	Median household income where the householder is between 25 and 44 years
Household Income Median 45-64 years	Median household income where the householder is between 45 and 64 years
Household Income Median 65 years and over	Median household income where the householder is 65 years and over
Households Owner-Occupied	Total number of owner-occupied housing units
Household Size Owner Occupied 1-Person	For owner-occupied housing units, those with a 1-person household
Household Size Owner Occupied 2-Person	For owner-occupied housing units, those with a 2-person household
Household Size Owner Occupied 3-Person	For owner-occupied housing units, those with a 3-person household
Household Size Owner Occupied 4-Person	For owner-occupied housing units, those with a 4-person household
Household Size Owner Occupied 5-Person	For owner-occupied housing units, those with a 5-person household
Household Size Owner Occupied 6-Person	For owner-occupied housing units, those with a 6-person household
Household Size Owner Occupied 7+ Person	For owner-occupied housing units, those with a 7 and over - person household
Households Renter-Occupied	Total number of renter-occupied housing units
Household Size Renter Occupied 1-Person	For renter-occupied housing units, those with a 1-person household
Household Size Renter Occupied 2-Person	For renter-occupied housing units, those with a 2-person household

CDXACSState Data Feed (cont'd)
State demographics and other data

Household Size Renter Occupied 3-Person	For renter-occupied housing units, those with a 3-person household
Household Size Renter Occupied 4-Person	For renter-occupied housing units, those with a 4-person household
Household Size Renter Occupied 5-Person	For renter-occupied housing units, those with a 5-person household
Household Size Renter Occupied 6-Person	For renter-occupied housing units, those with a 6-person household
Household Size Renter Occupied 7+ Person	For renter-occupied housing units, those with a 7 and over - person household
Household Size Average	Average number of people per housing unit
Household Size Average Owner-Occupied	Average number of people in an owner-occupied housing unit
Household Size Average Renter-Occupied	Average number of people in an renter-occupied housing unit
Housing Units with Mortgage	Owner-occupied housing units with a mortgage
Housing Units without Mortgage	Owner-occupied housing units without a mortgage
Housing Value Median	Median value of owner-occupied housing units
Housing Value Less than 50K	Owner-occupied housing units with a value of less than $50,000
Housing Value 50-99K	Owner-occupied housing units with a value between $50,000 and $99,999
Housing Value 100-149K	Owner-occupied housing units with a value between $100,000 and $149,999
Housing Value 150-199K	Owner-occupied housing units with a value between $150,000 and $199,999
Housing Value 200-299K	Owner-occupied housing units with a value between $200,000 and $299,999
Housing Value 300-399K	Owner-occupied housing units with a value between $300,000 and $399,999
Housing Value 400-499K	Owner-occupied housing units with a value between $400,000 and $499,999
Housing Value 500-749K	Owner-occupied housing units with a value between $500,000 and $749,999
Housing Value 750-999K	Owner-occupied housing units with a value between $750,000 and $999,999
Housing Value 1 MM+	Owner-occupied housing units with a value of $1,000,000 and over
Marital Status Population 15+ Years	Total population 15 years and over
Marital Status Never Married	Total who never married, for the population 15 years and over
Marital Status Married/Spouse Present	Total who are married with spouse present, for the population 15 years and over
Marital Status Married/Spouse Absent	Total who are married with spouse absent, for the population 15 years and over

CDXACSState Data Feed (cont'd)
State demographics and other data

Marital Status Divorced	Total who are divorced, for the population 15 years and over
Marital Status Widowed	Total who are widowed, for the population 15 years and over
Marital Status Population Female 15+ Years	Female population 15 years and over
Marital Status Female Never Married	Females who never married, for the population 15 years and over
Marital Status Female Married/Spouse Present	Females who are married with spouse present, for the population 15 years and over
Marital Status Female Married/Spouse Absent	Females who are married with spouse absent, for the population 15 years and over
Marital Status Female Divorced	Females who are divorced, for the population 15 years and over
Marital Status Female Widowed	Females who are widowed, for the population 15 years and over
Marital Status Population Male 15+ Years	Male population 15 years and over
Marital Status Male Never Married	Males who never married, for the population 15 years and over
Marital Status Male Married/Spouse Present	Males who are married with spouse present, for the population 15 years and over
Marital Status Male Married/Spouse Absent	Males who are married with spouse absent, for the population 15 years and over
Marital Status Male Divorced	Males who are divorced, for the population 15 years and over
Marital Status Male Widowed	Males who are widowed, for the population 15 years and over
Population	Total Population
Population Female	Female population
Population Male	Male population
Population Hispanic	Hispanic population
Population Non-Hispanic	Non-Hispanic population
Race Asian	Asian alone population
Race Black	Black or African American alone population
Race Hawaiian	Native Hawaiian and Other Pacific Islander alone population
Race Indian	American Indian and Alaska Native alone population
Race Other	Some other race alone population
Race Two or more	Two or more races population
Race White	White alone population
Rent Gross Cash Less than $250	For renter-occupied housing units, those with cash rent less than $250
Rent Gross Cash $250-499	For renter-occupied housing units, those with cash rent between $250 and $499
Rent Gross Cash $500-749	For renter-occupied housing units, those with cash rent between $500 and $749
Rent Gross Cash $750-999	For renter-occupied housing units, those with cash rent between $750 and $999

CDXACSState Data Feed (cont'd)
State demographics and other data

Rent Gross Cash $1000-1249	For renter-occupied housing units, those with cash rent between $1000 and $1249
Rent Gross Cash $1250-1499	For renter-occupied housing units, those with cash rent between $1250 and $1499
Rent Gross Cash $1500-1999	For renter-occupied housing units, those with cash rent between $1500 and $1999
Rent Gross Cash $2000+	For renter-occupied housing units, those with cash rent $2000 or more
Rent Gross No Cash	For renter-occupied housing units, those with no cash rent
School Enroll Preschool	Total enrolled in nursery school (public and private), for the population 3 years and over
School Enroll Kindergarten	Total enrolled in kindergarten (public and private), for the population 3 years and over
School Enroll Grades 1-4	Total enrolled in grades 1 through 4 (public and private), for the population 3 years and over
School Enroll Grades 5-8	Total enrolled in grades 5 through 8 (public and private), for the population 3 years and over
School Enroll Grades 9-12	Total enrolled in grades 9 through 12 (public and private), for the population 3 years and over
School Enroll College	Total enrolled in college (public and private), for the population 3 years and over
School Enroll Grad School	Total enrolled in graduate school (public and private), for the population 3 years and over
School Enroll Not Enrolled	Total not enrolled in school (public and private), for the population 3 years and over
School Enroll Female Preschool	Females enrolled in nursery school (public and private), for the population 3 years and over
School Enroll Female Kindergarten	Females enrolled in kindergarten (public and private), for the population 3 years and over
School Enroll Female Grades 1-4	Females enrolled in grades 1 through 4 (public and private), for the population 3 years and over
School Enroll Female Grades 5-8	Females enrolled in grades 5 through 8 (public and private), for the population 3 years and over
School Enroll Female Grades 9-12	Females enrolled in grades 9 through 12 (public and private), for the population 3 years and over
School Enroll Female College	Females enrolled in college (public and private), for the population 3 years and over
School Enroll Female Grad School	Females enrolled in graduate school (public and private), for the population 3 years and over
School Enroll Female Not Enrolled	Females not enrolled in school (public and private), for the population 3 years and over

CDXACSState Data Feed (cont'd)
State demographics and other data

School Enroll Male Preschool   Males enrolled in nursery school (public and private), for the population 3 years and over

School Enroll Male Kindergarten   Males enrolled in kindergarten (public and private), for the population 3 years and over

School Enroll Male Grades 1-4   Males enrolled in grades 1 through 4 (public and private), for the population 3 years and over

School Enroll Male Grades 5-8   Males enrolled in grades 5 through 8 (public and private), for the population 3 years and over

School Enroll Male Grades 9-12   Males enrolled in grades 9 through 12 (public and private), for the population 3 years and over

School Enroll Male College   Males enrolled in college (public and private), for the population 3 years and over

School Enroll Male Grad School   Males enrolled in graduate school (public and private), for the population 3 years and over

School Enroll Male Not Enrolled   Males not enrolled in school (public and private), for the population 3 years and over

Households Total	Total number of households

CDXACSZCTA Data Feed (cont'd)
ZCTA (ZIP CODE Tabulation Area) demographics and other data

Household Income 0-24K	Number of households with total income of less than $24,999
Household Income 25-49K	Number of households with total income between $25,000 and $49,999
Household Income 50-74K	Number of households with total income between $50,000 and $74,999
Household Income 75-99K	Number of households with total income between $75,000 and $99,999
Household Income 100-149K	Number of households with total income between $100,000 and $149,999
Household Income 150-199K	Number of households with total income between $150,000 and $199,999
Household Income 200K+	Number of households with total income of $200,000 and over
Household Income Median	Median income of all households
Household Income Median under 25 years	Median household income where the householder is under 25 years
Household Income Median 25-44 years	Median household income where the householder is between 25 and 44 years
Household Income Median 45-64 years	Median household income where the householder is between 45 and 64 years
Household Income Median 65 years and over	Median household income where the householder is 65 years and over
Households Owner-Occuppied	Total number of owner-occupied housing units
Household Size Owner Occupied 1-Person	For owner-occupied housing units, those with a 1-person household
Household Size Owner Occupied 2-Person	For owner-occupied housing units, those with a 2-person household
Household Size Owner Occupied 3-Person	For owner-occupied housing units, those with a 3-person household
Household Size Owner Occupied 4-Person	For owner-occupied housing units, those with a 4-person household
Household Size Owner Occupied 5-Person	For owner-occupied housing units, those with a 5-person household
Household Size Owner Occupied 6-Person	For owner-occupied housing units, those with a 6-person household
Household Size Owner Occupied 7+ Person	For owner-occupied housing units, those with a 7 and over - person household
Households Renter-Occupied	Total number of renter-occupied housing units
Household Size Renter Occupied 1-Person	For renter-occupied housing units, those with a 1-person household
Household Size Renter Occupied 2-Person	For renter-occupied housing units, those with a 2-person household

CDXACSZCTA Data Feed (cont'd)
ZCTA (ZIP CODE Tabulation Area) demographics and other data

Household Size Renter Occupied 3-Person	For renter-occupied housing units, those with a 3-person household
Household Size Renter Occupied 4-Person	For renter-occupied housing units, those with a 4-person household
Household Size Renter Occupied 5-Person	For renter-occupied housing units, those with a 5-person household
Household Size Renter Occupied 6-Person	For renter-occupied housing units, those with a 6-person household
Household Size Renter Occupied 7+ Person	For renter-occupied housing units, those with a 7 and over - person household
Household Size Average	Average number of people per housing unit
Household Size Average Owner-Occupied	Average number of people in an owner-occupied housing unit
Household Size Average Renter-Occupied	Average number of people in an renter-occupied housing unit
Housing Units with Mortgage	Owner-occupied housing units with a mortgage
Housing Units without Mortgage	Owner-occupied housing units without a mortgage
Housing Value Median	Median value of owner-occupied housing units
Housing Value Less than 50K	Owner-occupied housing units with a value of less than $50,000
Housing Value 50-99K	Owner-occupied housing units with a value between $50,000 and $99,999
Housing Value 100-149K	Owner-occupied housing units with a value between $100,000 and $149,999
Housing Value 150-199K	Owner-occupied housing units with a value between $150,000 and $199,999
Housing Value 200-299K	Owner-occupied housing units with a value between $200,000 and $299,999
Housing Value 300-399K	Owner-occupied housing units with a value between $300,000 and $399,999
Housing Value 400-499K	Owner-occupied housing units with a value between $400,000 and $499,999
Housing Value 500-749K	Owner-occupied housing units with a value between $500,000 and $749,999
Housing Value 750-999K	Owner-occupied housing units with a value between $750,000 and $999,999
Housing Value 1 MM+	Owner-occupied housing units with a value of $1,000,000 and over
Marital Status Population 15+ Years	Total population 15 years and over
Marital Status Never Married	Total who never married, for the population 15 years and over
Marital Status Married/Spouse Present	Total who are married with spouse present, for the population 15 years and over
Marital Status Married/Spouse Absent	Total who are married with spouse absent, for the population 15 years and over

CDXACSZCTA Data Feed (cont'd)
ZCTA (ZIP CODE Tabulation Area) demographics and other data

Marital Status Divorced	Total who are divorced, for the population 15 years and over
Marital Status Widowed	Total who are widowed, for the population 15 years and over
